

NATIONAL HIV COMMUNITY PARTNERSHIP

National HIV Testing Day Activation (NHTD) – Activity Report

Instructions: Please use this form to track your NHTD event activity for each Walgreens store. If you are providing testing on multiple days or locations, please provide data for each date and store separately.

Walgreens and Greater Than HIV will both request this data to be submitted. Your Walgreens store manager will ask for your event data after your event is complete, and Greater Than HIV will email a post-NHTD questionnaire to primary contacts on June 28.
