

# 2025 NATIONAL HIV TESTING DAY ACTIVATION

## Activity Report

**Instructions:** Please use this form to track your NHTD event activity for each Walgreens store. If your organization is providing testing on multiple days or locations, please record data for each date and store separately to ensure accurate reporting on the full evaluation.

Your Walgreens store manager will ask for your event data after your NHTD event is complete.

**KFF's Greater Than will email a post-NHTD questionnaire to primary contacts on June 27 requesting this information.**

Walgreens Store Info	
Date	
Testing Hours	
Organization Name	
Organization Point of Contact (Name and Email)	
Walgreens Store #	
Walgreens Address
